## **RCRC Reading Strategy**

Did I understand *everything* I just read?

If you are not sure, then double check with  
“R-C-R-C.”

**RCRC** stands for ...

**R**ead the material through.

**C**over what you just read.

**R**eview what you read aloud or to yourself.

**C**heck to see that what you *think* happened really happened in the reading.
